General and Revenue Departments

SIR

I have the honour to inform you that the students and masters of the weaving schools at Doddaballapur, Chiknankanhalli and Molekalur attended the weaving Competition held at Mysore during the last Dasara Exhibition and were paid their travelling expenses by the Exhibition Committee. The President of the Mysore Dasara Exhibition states in his letter No 408, 8th September 1909 that since Government have sanctioned only Rs 500/- under the budget head "Payment of freight &" instead of Rs 1000/- sanctioned in two previous years and this sum is hardly sufficient to meet the charges payable on implements that are expected

Weaving school Doddaballapur - Four students and one master with three horses
do Molekalur - Two do four do
do Chiknankanhalli - Three do two do

from private persons forms &c. he is unable to meet the charges incurred by the weaving schools. The number of persons and looms proposed to be sent to Mysore for the ensuing weaving competition is given in the margin^x

2. Under these circumstances I recommend that Government may be pleased to sanction the payment of the actual railway fare - single third class on both ways - and actual cart hire and daily allowance at six annas each for a period of not more than ten days for the students and maistries and also the conveying charges of the looms they take. The charge may be met out of Rs 600/- provided in the current year's budget estimates of the Industrial and other special schools under the head "VII Travelling allowance to the Superintendent of the Mysore Industrial School". I request the favour of Vety orders on the subject.

I have the honour to be,
Sir,
Your most obedient servant,
H. P. Shabha
Inspector General
